All material relating to NCR's analytical activities is provided on an "as is" basis. The agency does not conduct audits or similar warranty validations of any information used in its analytical activities and related material. NCR advises all users of its services to carry out individual assessments for their own specific use or purpose when using any information or material provided by the agency. Analytical material provided by NCR constitutes only an opinion on relative credit risk and does not address other forms of risk such as volatility or market risk and should not be considered to contain facts of any kind for the purpose of assessing an issuer's or an issue's historical, current or future performance. Analytical material provided by NCR may include certain forward-looking statements relating to the business, financial performance and results of an entity and/or the industry in which it operates. Forward-looking statements concern future circumstances and results and other statements that are not historical facts, sometimes identified by the words "believes", "expects", "predicts", "intends", "projects", "plans", "estimates", "aims", "foresees", "anticipates", "targets", and similar expressions. Forward-looking statements contained in any analytical material provided by NCR, including assumptions, opinions and views either of the agency or cited from third-party sources are solely opinions and forecasts which are subject to risk, uncertainty and other factors that could cause actual events to differ materially from anticipated events. NCR and its personnel and any related third parties provide no assurance that the assumptions underlying any statements in analytical material provided by the agency are free from error, nor are they liable to any party, either directly or indirectly, for any damages, losses or similar, arising from use of NCR's analytical material or the agency's analytical activities. No representation or warranty (express or implied) is made as to, and no reliance should be placed upon, any information, including projections, estimates, targets and opinions, contained in any analytical material provided by NCR, and no liability whatsoever is accepted as to any errors, omissions or misstatements contained in any analytical material provided by the agency. Users of analytical material provided by NCR are solely responsible for making their own assessment of the market and the market position of any relevant entity, conducting their own investigations and analysis, and forming their own view of the future performance of any relevant entity's business and current and future financial situation. NCR is independent of any third party, and any information and/or material resulting from the agency's analytical activities should not be considered as marketing or a recommendation to buy, sell, or hold any financial instruments or similar.
